## Purpose

To provide an elevated experience for real estate prospects visiting SLV to consider purchasing property.

## Parties Authorized to Distribute

These cards are provided by any licensed real estate agent or office listed on the SLV website as actively doing business (with sales and listings) who wishes to show property to qualified prospects visiting SLV to consider a purchase. Agents must list the dates on the Discovery Tour Dates line. Holder benefits are valid for up to **three consecutive days**.

## Holder Benefits

Prospective property owners holding these cards are considered Discovery Tour Guests during the dates of their visit. They are invited to enjoy the following:

- One complimentary round of golf per guest (max 2 guests per Discovery Tour) at each golf course.
- Complimentary access to use the Recreation Center during the dates noted on the card (maximum of three days).
- Opportunity to purchase full food & beverage service including alcohol at the clubhouses.

## Limitations

**Discovery Tour Guest benefits are limited to three days.** Discovery Tour Guests may request additional time, but their agent would need to provide them with standard Guest Cards, and applicable guest fees would apply. It is in the sales agents' best interests to keep Discovery Tours brief and focused on the question at hand: *Is Savannah Lakes Village right for us?*

**Any accompanying children, extended family members, and friends will pay guest rates.** This is not a vacation program. The intent of this program is to focus a prospective primary and secondary property owner on the decision of purchasing a home in SLV. Discovery Tours are limited to two people who live within the same household.

**Discovery Tour Guests are welcome to enjoy an extended itinerary,** but they will pay regular guest rates after the dates of their Discovery Tour.
