

# ANNUAL PLANS

## 2025 All-Inclusive Annual Program

Lock in savings and convenience with the All-Inclusive option to maximize your enjoyment this year! It's the best value for the most active members — it is truly unlimited! Enjoy the community-wide benefits of both the Golf and Recreation Center plans as outlined below.

**\$4,500.00**  
\$375.00 / month

*Save \$257 over the price of the combined Golf and RC annual plans!*

## Annual Golf Plans

The 2025 annual plans for golf are now available. If you play more than 82 rounds per year these plans will save you money. Signing up for an annual plan also allows you the convenience of easy check-in every time you play!

|                                                        | UNLIMITED  | 9 HOLES    |
|--------------------------------------------------------|------------|------------|
| Unlimited play throughout the year for any tee time    | ✓          | ✗          |
| Includes same day replays                              | ✓          | ✗          |

| Guests over 18 enjoy a discounted rate                 | ✓          | ✓          |
| Discounted upcharge 18-hole play                       | ✗          | ✓          |
| Annual Program Rate                                    | \$4,067.00 | \$2,324.00 |
| Amount if paid in monthly installments                 | \$338.92   | \$193.67   |

## Annual User Cart Rebate

Annual users may elect to use their personal cart at their home course throughout the year in exchange for a rebate provided at the end of the year in the form of an account credit. You must sign the cart rebate agreement at the beginning of the year to be included in this program.

|                                          | UNLIMITED | 9 HOLES  |
|------------------------------------------|-----------|----------|
| Personal golf cart use rebate per member | \$275.00  | \$130.00 |

## Annual Recreation Center Plans

Our plans allow members to select the right option for their needs. The foundation of the plan is unlimited access to the the fitness center, indoor & outdoor pools, spa, sauna, and all instructor-led classes. The options expand from there into racquet sports and bowling.

|                                                                                                                                                                                                                           | RC/Fitness | RC/Fitness + Tennis/Pickleball | RC/Fitness + Bowling | RC/Fitness + Tennis/Pickleball + Bowling |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------|--------------------------------|----------------------|------------------------------------------|
| Unlimited use of fitness equipment                                                                                                                                                                                        | ✓          | ✓                              | ✓                    | ✓                                        |
| All instructor-led classes<br><i>Water/Land Aerobics, Yoga, Chair &amp; Balance Yoga, Stretch &amp; Tone, Fit &amp; Strong, all dance classes, plus any other seasonal programs that are offered throughout the year.</i> | ✓          | ✓                              | ✓                    | ✓                                        |
| Unlimited use of pools, spa and sauna                                                                                                                                                                                     | ✓          | ✓                              | ✓                    | ✓                                        |
