

History of the SLV Rod and Gun Club

The Savannah Lakes Rod and Gun Club was formed October 7, 2008 by founding members Lary Rand, Mark Young, Josh Sandt and Larry Brown with David Twiggs actually spearheading the formation. On April 28, 2009 the group incorporated as Savannah Lakes Village Rod and Gun Club with 124 members. The Club grew to be the largest sanctioned Club in Savannah Lakes and boasts a membership exceeding 250 members.

The purpose of the Rod and Gun Club was, and is, to make it easier for members with common interests in fishing, hunting and shooting sports to build relationships and provide opportunities for organized outings, guided trips, and sporting events.

The name was officially changed to Savannah Lakes Rod and Gun Club in August 2017 due to changing our incorporation to non-profit status. Over the years the Club has conducted classes on Gun Safety, Home Safety & Security, What Gun to Buy, Refuse to be a Victim and classes for concealed carry permits. We have assisted over 200 SLV residents to obtain their CWP permits.

The Rod and Gun Club Board is always evaluating the desires of our membership in order to provide activities of interest. All activities are optional.
